

Dear SCPS Parents,

Third Nine Weeks Project

In Spanish class we are currently working on vocabulary about *The Family*. Each student is preparing to create their own *Family Tree*. I am asking parents to help them by sending to school family pictures, or photo copies (that may be cut and glued), to be used in their fun projects: grandmothers, grandfathers, mother, father, uncles, aunts, cousins, brothers, sisters, and themselves. The basic vocabulary for Kindergartner's: son, daughter, brother, sister, mother, father, grandfather, grandmother. **Please send pictures within the next two weeks.**

Thanks so much for your support!

¡Gracias!

Señora Lingle
